6 month waiting period for natural death on Extended Plans

Added Benefits

Double Accidental Death Benefit

The Funeral Plan pays **DOUBLE** the benefit amount if an insured passes away as a result of an accident.

Waiver of Premium

In the event of death of the policyholder, the policy benefits will be provided at no premium to all remaining lives insured for a period of 6 months. Thereafter the surviving spouse or adult child can choose to continue with the policy.

Important to know

A 4 month waiting period applies for all Immediate Dependants and 6 months for Extended Dependants in the event of natural death. Cover for natural death starts after the 4th (Immediate) or 6th (Extended) consecutive premium is received AND a time period of 4 (Immediate) or 6 (Extended) months from when the first premium is received has passed.

No waiting period for accidental death on all plans. Conditional upon the first premium being paid.

No new waiting period where the policy serves as a replacement of an existing similar policy.

Premiums will not change for the first 12 months unless there are reasonable actuarial grounds to do so. Any change carries a 31 day notice period.

Death as a result of suicide is excluded for the first 12 months of the policy.

Entry Age is 18 - 65 years for Immediate policies, and up to 85 years for Extended policies.

*Child Dependants can be covered up to the age of 25 years if a registered full-time student.

Terms & Conditions apply.

For a full list of the Ts & Cs (including waiting periods, cooling off period and exclusions), refer to mhasa.co.za.
